NEWSTATE UNIVERSITY

FAQs

Q: Do you have faculty?

A: Yes! We have academic faculty who answer questions, assess your projects, and engage in our career community. We also have special guests from their fields in our podcasts and live sessions.

Q: Can I really start the same day?

A: Yes! We've simplified the entire application process. Come start with a certificate, or start with a full degree that has certificates built into it.

Think your company could benefit from this, or support you through tuition? Ask us how we can help get your employer involved.
